SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant submits the references listed on the attached form PTO-1449. This statement is being filed, to the best of Applicant's knowledge, before the receipt of a first Office Action on the merits.

Applicant has enclosed a copy of each article cited and each foreign document cited. Copies of the U.S. patents are not enclosed.

English language abstracts are provided for all non-English language references, except DE 203 10 991 U1. For that reference, Applicant provides a concise explanation of relevance.

In particular, based on Applicant's understanding, the DE 203 10 991 U1 reference describes a portable electrical stimulator for stimulating a hand that holds the stimulator. The stimulator includes two external electrodes, coupled to an electrical circuit within the stimulator, for delivering stimulation energy.

Respectfully submitted,

Date: 10-8-04
